**langitselatan's Snakes & Ladders Board game**

Print the snakes & ladders game. Carefully cut out the pattern below as the dice and astronaut to play the game. Fold the pieces on the dash lines and glue the tabs to assemble the dice. For the astronauts, fold on the dash lines parts and glue the top of the white block to the other side to make the astronaut stand.

Play the game with friends. In this astronomy snakes & ladders, rocket is the ladder and comet is the snake.
